MEMORANDUM FOR THE RECORD

SUBJECT: Audit of Prolog Associates Books

1. On 27 February 1958, [ ] Audit Staff, X 3845 called the undersigned in reference to an audit of the books of Prologue Associates. He suggested that an internal audit of the books be made for the year 1957, in view of the fact that there is no necessity for an outside audit at this time, and the fact that any errors or difficulties in the bookkeeping can be ironed out internally and guidance can be given to the Prolog treasurer in keeping the future. At the same time it would eliminate the necessity of paying \$300 to \$400 for an outside audit.

2. The undersigned case officer agreed in principle requesting an audit and Quinn stated that he would initiate a memorandum and relay it SR/3 and other interested offices for signature. ~~This memorandum~~ Upon approval, the Audit Staff would then initiate and conduct an internal audit of the books.

22 Apr 58 / Memo has been sent out to SR/3 for our concurrence to initiate internal audit. When memo returns to Quinn, he will set up contact with Prolog through SR/3 case officer & audit will take place some time between 15 May & 1 July 58.
